

State Board of Education District 5

As a conservative Republican educator, I have a passion for education and the principles needed to stand up for Texas students, parents and teachers.

Experience

- 28-Year Educator, specializing in working with students with autism
- Speech-Language Pathologist
- Entrepreneur/Business Owner

Priorities

- Ensure curriculum standards are historically and scientifically accurate and age-appropriate
- Review textbooks to safeguard truth
- Reform our broken state testing system

— Endorsements —
